

RULES AND REGULATIONS

ACADEMIA SÁNCHEZ-CASAL FLORIDA

Section 1

OBJECTIVES OF THE REGULATIONS

Article 1: The Academia Sánchez-Casal Florida

The Academia Sánchez-Casal Florida (the Academy), is run as part of the Naples Tennis Club & Resort (the Club), which carries out sports programs, and is specialized in tennis training.

The sport programs run by the Academy include a number of supplementary services for students, in addition to those specifically for sport, such as room, board, transit, educational follow-up, travel to competitions, etc.

The Academy's activity is mainly carried out at the Club's facilities located at 4995 Airport Rd. N. Naples, Florida 34105 USA.

The Naples Tennis Club LLC., is responsible for management of the Club and Academy.

The inclusion of the Academy within the realm of the Club implies that, in addition to these regulations (which have a more specific bearing) students will be obliged to comply with the general rules and regulations of the Club.

Article 2. Objectives of the Rules and Regulations

The present rules are meant to regulate the operating standards for the Academia Sánchez-Casal and students' relationship with it.

The Academy is an educational institution which has the mission of providing sports and personal training for its students.

The professionals who staff the Academy have the necessary qualifications to carry out these educational duties. They possess sufficient experience to interpret and make decisions with respect to students' behavior.

Any annexed addition to this document shall be considered an integral part of it.

The rules herein in this document are compulsory for all students, regardless of their residency status at the Academy.

Academy management reserves the right to modify these rules and regulations.

All Academy students must know and accept these rules and regulations.

The Academy shall make a copy of these rules and regulations available at all times for consultation by any student or employee.

Section 2

STUDENTS

Article 3. Definition of a student

Any person who enrolls in a sport program offered by the Academy, regardless of its duration, shall be considered a student of the Academy.

Article 4. Types of students

Types of students are generally defined according to their residency status, as follows:

1. Non-resident student: any student who is enrolled in a sport program and does not reside at the Academy.
2. Resident student: any student who is enrolled in a sport program and resides at the Academy.

Likewise, the following categories of students are established:

1. Children: students under 14 years of age
2. Youth: 14 - 16
3. Juniors: 17 - 20
4. Seniors: 21 and up

Article 5. Registration

- Student's personal information.
- Tennis program chosen.
- Supplementary services chosen.
- Authorization of the father, mother or guardian for students under 18.
- Special circumstances relevant to the student.

The Academy reserves the right to carry out level tests for admission of students into sport programs. Registration forms for minors must be signed by the father, mother or legal guardian of the student, making the necessary authorizations indicated therein.

Article 6. Sport programs

All sport programs carried out by the Academy feature a specific sport activity program and the possibility to participate in a number of additional services.

The Academy's basic sport programs are:

- Annual Tennis Programs.
- Weekly Tennis Programs.
- Summer Intensive Tennis Program.
- Coach Courses.

Each program has special contents and registration conditions, as well as a rate list, included in the documentation on prices published by the Academy, and accepted by the Student upon registration.

Any new program incorporated by the Academy will always be subject to these regulations.

Article 7. Rights and obligations of students

Rights of students:

- To receive training and education relevant to the program enrolled in.
- To have a teacher/coach of reference for follow-up in the sport program.
- To receive periodic progress evaluations within programs.
- To use Club facilities in keeping with their rules of use.
- To use the services given by the Academy in keeping with their rules of use.

Obligations of students:

- To comply with these rules and regulations.
- To comply with the obligations of the sport program they are enrolled in.
- To follow the instructions of teachers/coaches relevant to their sport and academic education.
- To show the due respect to Academy and Club personnel, and fellow athletes.
- To collaborate with fellow athletes in any way necessary.
- To care for Academy and Club facilities as if they were the student's own.
- To behave in a sportsmanlike manner.

Section 3

USE OF FACILITIES AND SERVICES

Article 8. Facilities

Students must comply with the regulations for use of the Academy facilities and services, in addition to specific Naples Tennis Club rules and regulations.

Article 9. Facilities for exclusive student use

TV Lounge and Internet Lounge – Upstairs in the Academy Building

Use of the TV Lounge and Internet Lounge is reserved for Academy students, and restricted to the established hours, which are posted inside these facilities.

Each student shall be responsible for correctly using any furnishings or equipment.

Academy Dressing Rooms

Use of Academy dressing rooms is available for students, who should use them properly.

The dressing room is only to be used for hygienic purposes. Using it for other activities is not allowed.

Accommodation

Use of the accommodation facilities is restricted to resident students only.

No non-resident student may enter or remain in the Residence, nor enter the rooms.

Resident students must comply with the rules for use outlined hereafter regarding the Residence rooms.

Aerobic, Fitness and Weight Rooms

To avoid injuries due to the improper use of the gym, access will not be permitted to the facility unless it is supervised or authorized by a physical trainer of the Academy.

Pool Use

Students must be supervised during pool hours.

Article 10. Services for students

Transit Service

The Academy provides a transportation services for students. It is provided by the academy's own vehicles, or occasionally with other transportation companies.

Students have the right to the following transportation services:

1. Pick-up and drop-off at the Ft. Myers and Miami airport, for a fee, or the Naples Airport at the Academy at the beginning or conclusion of a program.
2. Pick-up and drop-off at the Ft. Myers, Miami airport, for a fee, or Naples Airport for the official Academy holidays.
3. Travel to team competitions planned by the Academy.

4. Medical visits planned by the Academy.
5. Private transit services for students if scheduled with sufficient time in advance, subject to availability.

Students are obliged to specifically request the transportation services when required, with enough advance notice to make proper plans.

Schedules and pick-up points for regular transportation are adapted to sport programs, and are posted on the Academy bulletin board.

Students must be on time when using transportation services, and follow drivers' instructions.

After conclusion of the sport programs, students must follow the necessary hygienic procedures before using transportation services. Drivers may refuse to take non-complying students on board.

Food Service

The Academy has an optional food service for students, offered through the Club Restaurant.

Students have the right to use this service and are obliged to comply with these rules:

1. They must respect the service hours, posted on the bulletin board.
2. It is not allowed to take food or drink away from the restaurant for outside consumption.
3. Students must behave properly in the Restaurant area, respecting service personnel and their instructions.

Competition Accompaniment Service

A Competition Program forms part of the Sport Programs. This includes escort to competitions, to which students are entitled.

The competition escort is always a teacher or coach designated by the Academy whose travel, room and board expenses must always be covered by the students being accompanied, in equal proportion among group members. Students will also be responsible for their own expenses.

Educational Service

The Academy offers an optional service by which students can follow a study program.

Students enrolled in these programs are obliged to comply with their specific rules and regulations.

Section 4

RESIDENT STUDENTS

Article 11. Resident students

The academy has its own student residence within the Club, which is occasionally expanded to include off-premise residences.

When registration in a specific Sport Program is formalized, the student's resident or non-resident status will be specified.

Article 12. Residence Supervisors

The Academy staffs the residence with supervisory personnel at all times, on a 24-hour-a-basis, to tend to resident students. They are lodged in the Club facilities as well as in outside day residences dependent on the Academy.

The Supervisor for each group of Residents has the following obligations:

- To cover students' needs.
- To organize student's activities outside the sport program enrolled in.
- To monitor students' behavior.
- Take any pre-emptive disciplinary measures considered necessary.

Article 13. General rules for resident students

The Residence is open year round. It does not close on religious, State or Federal holidays.

Resident students must follow the activity program in place for them once the schedule for their sport program has concluded. This schedule is always posted on the Academy bulletin board.

Resident students will always be under the close supervision of Academy personnel insofar as regards their activities, behavior, health, state of mind, etc.

Article 14. Off-premise trips by resident students

Children, Youth and Junior students can not leave Club premises unless under supervision of a Club teacher or coach.

Children, Youth and Junior students will be allowed to leave club premises with the express consent of the father, mother or guardian, as long as this authorization designates an adult of the parents' confidence as the person responsible for the outing. This person will be responsible for collecting and dropping students off at the Academy.

With the express written consent of the father, mother or guardian, Children, Youth and Junior students may spend the night off Academy premises, as long as this authorization designates an adult with the parents' trust as the person responsible for the outing. This person will be responsible for collecting and dropping students off at the Academy.

Senior Students can freely leave the premises once the sport programs have concluded, as long as they return before the 10:00 pm curfew.

The Academy office has an entry/exit control system for students of any age based on permission slips to be completed and delivered at the front desk, which will authorize all such slips.

Academy and Club are exempt from all liability arising from any accidents that students may suffer when off Club premises, even in outings not authorized by the Academy that the student takes without the Academy's knowledge.

As for the use of the external residences, the Academy will give specific information to students lodged in such facilities. In any case, these general rules are compulsory for all students.

Article 15. Rules for use of Residence

- The Residence does not close for religious, state or federal holidays.
 - Students will have a key to their room, which must be returned to the Front Desk upon conclusion of their stay.
 - Rooms are for the exclusive use of the students lodged in them. Other students are not allowed to stay in rooms that do not correspond to them.
 - Any problem arising with rooms will be discussed with the supervisor.
 - Furniture in rooms can not be moved without permission of the supervisor. It is also forbidden to hang posters, pictures, etc. on walls or furniture.
 - Students must seek permission from the supervisor to install any type of electrical appliance.
 - Rooms must not be disturbed by neighboring rooms' televisions, stereos, excessively loud conversations, or other noise.
 - Students sharing rooms must fairly distribute the space among themselves.
 - Lights-out and silence will be observed as of 10:30 pm. The residence supervisor will ensure strict compliance with this schedule.
 - The Academy shall not be responsible for any valuables such as jewelry, cash, watches, etc. left in rooms. If the student deems it necessary, these valuables can be deposited in the offices safe.
 - Smoking, drinking and drug consumption is prohibited while attending the academy. Smoking is considered a serious violation, (see Article 20 "Punishment" –Serious Violations"). Consumption of alcohol, drug & doping substances at anytime is prohibited and is considered a very serious violation (see Article #20 "Punishment" – Very Serious Violations)
 - The resort offers laundry service for the Academy players.
 - Any damage done to the residence, to include, but not limited to, furnishings, structure, appliances will be handled in the following manner;
 - investigate who did the damage and that person will be charged for the repair and replacement of damaged item(s).
 - if investigations brings forth no person(s) that is responsible for the damage, all that were in the room or live in the room at time of damage will be charged equal amount for the repair and replacement.
- Maid service is performed 3 days per week. Students must facilitate the work of the maid service for it to be done the best way possible. In any case, the maid will determine the best time to clean each room, monitoring its cleanliness, and demanding maximum hygiene and order.
- Academy management reserves the right to inspect the rooms whenever it is deemed appropriate.

Section 5

STUDENT CONDUCT

Article 16. Students' general code of conduct

- Students must show a positive attitude toward the sports program they are enrolled in, which does not alter their progress or that of their fellow athletes.
- They must attend training sessions and planned activities on time. No unjustified absences or delays will be accepted.
- They must collaborate in the integration of other students into the Academy.
- They must respect the instructions of teachers and coaches.
- They must always follow sportsmanlike conduct, in training as well as competition.
- While in the Academy it is expected of you to be well-mannered whether on the tennis court, or at the academy activities. Disciplinary actions will be taken as required.
- They must take proper care of the facilities and materials available to them.
- No racist or discriminatory attitudes toward other students or employees shall be allowed.
- Consumption of alcoholic beverages, drugs or doping substances during a student's stay at the Academy, no matter their residency status, is prohibited on and off Club premises.
- Sexual relations among Academy students are prohibited on and off Club premises.

Article 17. Discipline Committee

The Discipline Committee is a body created by the Academy. It will have the power to be notified of and punish actions committed by students that harm the property or image of the Academy, violate the rights of fellow athletes or customers, are immoral or disrupt public order, in addition to those of sport discipline.

The Committee will be composed of three persons:

- The General Manager of Academia Sánchez-Casal.
- The Technical Director of the Academia Sánchez-Casal.
- The General Manager of Tennis Naples Club.

If they are unable to attend, Discipline Committee members can designate an alternate to represent them.

Given the educational nature of the Academy and the involvement of coaches, teachers and physical trainers in that education, if minor offences are committed, the Discipline Committee does not necessarily have to intervene. The coach, teacher or physical trainer, within their daily duties can take disciplinary measures on an individual or group level, according to their own criteria.
